

SKILLS IN
ACTION

Are **you** a career development professional and looking to **jumpstart** someone's career in the manufacturing sector?

Promote joining the fastest-growing job market in Canada by enrolling select participants in an online training initiative.

By helping your clients gain the necessary skills needed to adapt and learn in a rapidly changing workplace, your organization could receive up to

\$9,100!

Skills in Action is FREE and FLEXIBLE!

Here is how the training can benefit **your** clients:

- Improved self-esteem, self-confidence and morale
- Capacity to understand job requirements and procedures
- Opportunities for career development and promotion
- Ability to apply new knowledge and skills on the job
- Ability to work effectively as a team and independently
- Capacity to communicate and use technologies with confidence
- Ability to keep pace with changes in the workplace

SPACES ARE LIMITED!

This innovative training project has space for a limited number of learners, find out how your clients could be one of them! Visit www.skillsinaction.ca to find out more.

Canada

This project is funded by the Government of Canada's Adult Learning, Literacy and Essential Skills Program
